POST STUDY WORK (PSW) OPPORTUNITIES

International students completing eligible Master's degrees in Ireland can usually stay back for up to **2 years** under the Third Level Graduate Scheme.

This allows students to:

- Search for full-time jobs

- Gain Irish work experience
- Transition into longer-term employment permits

Ireland's booming tech ecosystem makes it particularly attractive for students targeting careers in:

- Data Analytics

- Cloud Computing
- Cybersecurity
- Software Engineering
- Pharmaceutical & Healthcare sectors
