## UK UNIVERSITY INTELLIGENCE REPORT 2026

Elite Universities • Telugu Student Preferences • Costs • IELTS • Intakes • Career Insights

Curated Specifically for Indian UG & PG Students

## UK STUDY SNAPSHOT 2026

■ Average Tuition Fees	■14L – ■32L / year
■ IELTS Range	6.0 – 7.5 Overall
■ PSW Visa	2 Years
■ Major Intakes	January • May • September
■ High-Demand Fields	AI • Data Science • Nursing • Business • Cybersecurity
■ Popular Cities	London • Manchester • Birmingham • Leeds

The UK remains one of the strongest destinations for international students because of its globally recognised universities, shorter Master's duration, strong post-study work opportunities, and multicultural environment.

This report combines globally ranked universities with practical insights relevant to Indian students — including affordability, Telugu student communities, visa flexibility, and employability.

**Fees:** ■12L – ■15L

**Intakes:** Sep • Jan

**Why Telugu Students Prefer It:**

Popular for Nursing, MBA & affordable pathways

## CRITICAL INSIGHTS FOR APPLICANTS

- Many UK universities waive IELTS if your 12th English score is strong.
- Several universities allow tuition fee payment in installments after arrival.
- London universities provide stronger networking opportunities but significantly higher living costs.
- Students should prioritise employability, placements, and location — not just rankings.
